

**PRODUCT                    MICRO-NICE®    BIO CARPET SHAMPOO**

**INDICATIONS:**        Cleans dirt, oil and grease deposits from carpets and rugs. Leaves the carpet pile soft, deodorized and fresh scented, and enhances antistatic action.

Can be used by hand or in carpet shampoo machines.

Easy and safe to use, environmentally friendly.

Not less than 90% biodegradable

**DIRECTIONS:**        Mix 1 part Micro-Nice® Bio Carpet Shampoo with 10 to 15 parts clean water. Spray the mixture onto the required areas and leave for 10 minutes for cleaning reaction.

Where heavily soiled, use Micro-Nice® Bio Carpet Shampoo straight. Carry on normal washing process.

**NOTE:**                    This product is used for cleaning purpose only. It should not be taken internally. Wash down with plenty of water if it gets into the eyes.

If swallowed, do not induce vomiting, drink plenty of water or milk and consult a physician immediately.

**Keep this and all cleaners out of the reach of children.**
