

**PRODUCT**                    **MICRO-NICE® BIO CLEAN & SHINE**

**INDICATIONS:**            Cleans dirt, dust, oil, and fat from all types of floors, as well as provides a shiny, non-slip surface.  
Removes foul odors and helps antistatic on the surface.  
The solution is non-corrosive to metal, paintwork, plastered surfaces, tiles, glass and rubber parts.  
Safe to use and environmentally friendly.  
Not less than 90% biodegradable.

**DIRECTIONS:**            Mix 1 oz. of Micro-Nice® Bio Clean & Shine to 1 gallon of water.  
Apply solution to the desired area to be cleaned. Leave on the area as long as possible to help the cleaning action. Wash down with clean water and leave to dry.

**NOTE:**                      This product is used for cleaning purpose only. It should not be taken internally. Wash down with plenty of water if it gets into the eyes.  
If swallowed, do not induce vomiting, drink plenty of water or milk and consult a physician immediately.  
**Keep this and all cleaners out of the reach of children.**
